My name is Scott Holdbrooks, I am the Cross Country coach at Gadsden City High School. I am in the process of trying to secure sponsorships for the upcoming season and I was hoping that your company might participate.

We are in the process of establishing a quality program that will produce state competitive and college level runners. Over the past few seasons several of our athletes have signed scholarships to compete at the college level in our sport. In addition our program has qualified runners for the state meet every year since the inception of Gadsden City High School.

The monies that are received from sponsors will be used in defraying the cost of travel, food and outfitting our team. For your donation you will receive advertisement on our team shirts, our sponsorship banner (which is displayed at all home and away races) and sponsorship banners at both of our home races.

Any type of sponsorship would be greatly appreciated. *All donations are tax-deductable.* If you have any questions, I can be contacted by cell phone, 256-393-9204, at the school, 256-543-3614 or e-mail, [sholdbrooks@gcs.k12.al.us](mailto:sholdbrooks@gcs.k12.al.us) . My athletes and I appreciate your support. GO TITANS!

Sincerely,

Scott Holdbrooks  
Head Coach
